Reporting Period: December 1 – January 4, 2019  
Federal Tax I.D. # 13-4040818

**GLOBAL NOTES AND STATEMENTS OF LIMITATIONS  
AND DISCLAIMERS REGARDING THE DEBTORS' MONTHLY OPERATING REPORTS**

On August 6, 2019 (the “**Petition Date**”), Barneys New York, Inc. and 4 of its debtor affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the “**Debtors**,” the “**Company**”)<sup>1</sup> filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) in the United States Bankruptcy Court for the Southern District of New York (the “**Bankruptcy Court**”). The Debtors’ chapter 11 cases are being jointly administered for procedural purposes only pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”) under the caption Barneys New York, Inc., *et al.*, Case No. 19-36300 (CGM) (S.D.N.Y.), pursuant to an order entered by the Bankruptcy Court on August 7, 2019 [ECF No. 41]. The Debtors continued to operate their business and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code throughout the Sale Commencement Date on November 1, 2019.

The following notes, statements and limitations should be referred to, and referenced in connection with, any review of the MOR.

1. **Basis of Presentation.** The Debtors are filing their consolidated monthly operating report (the “**MOR**”) solely for purposes of complying with the monthly operating requirements applicable in the Debtors’ chapter 11 cases. The MOR is in a format acceptable to the U.S. Trustee for the Southern District of New York (the “**U.S. Trustee**”). The MOR should not be relied upon by any persons for information relating to current or future financial conditions, events, or performance of any of the Debtors or their affiliates.

In preparing the MOR, the Debtors relied on financial data derived from their books and records that was available at the time of preparation. Subsequent information or discovery may result in material changes to the MOR and errors or omissions may exist. Notwithstanding any such discovery, new information, or errors or omissions, the Debtors do not undertake any obligation or commitment to update the MOR.

This MOR has not been prepared in accordance with accounting principles generally accepted in the United States of America (“**U.S. GAAP**”) and does not include all of the information and footnotes required by U.S. GAAP. Therefore, there can be no assurance that the consolidated financial information presented herein is complete, and readers are strongly cautioned not to place undue reliance on the MOR.

The information furnished in this report includes primarily normal recurring adjustments but does not include all the adjustments that would typically be made for the quarterly and annual consolidated financial statements to be in accordance with U.S. GAAP.

---

Furthermore, the monthly financial information contained herein has not been subjected to the same level of accounting review and testing that the Debtors apply in the preparation of their quarterly and annual consolidated financial information in accordance with U.S. GAAP. Accordingly, upon the application of such procedures, the Debtors believe that the financial information may be subject to change, and these changes could be material.

In future periods, any changes to prior period balances will be reflected in the current month's MOR.

The results of operations contained herein are not necessarily indicative of results that may be expected from any other period or for the full year and may not necessarily reflect the consolidated results of operations and financial position of the Debtors in the future.

2. **Reporting Period.** Unless otherwise noted herein, the MOR generally reflects the Debtors' books and records and financial activity occurring during the applicable reporting period. Except as otherwise noted, no adjustments have been made for activity occurring after the close of the reporting period.
3. **Consolidated Entity Accounts Payable and Disbursements Systems.** Cash was received and disbursed by the Debtors as described in the *Motion of Debtors for Authority to (A) Continue Using Existing Cash Management System, (B) Honor certain prepetition obligations related thereto, (C) Maintain existing business forms and (D) Continue to perform intercompany transactions* (the "**Cash Management Motion**") to the extent approved in the order granting the Cash Management Motion on a final basis (the "**Final Cash Management Order**") [ECF No. 47].
4. **Accuracy.** The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Pursuant to the Sale Order, on the closing, the Debtor-in-Possession Facility and Consignment Facility were paid down and otherwise discharged as against the Debtors.

6. **Payment of Pre-Petition Claims Pursuant to Court Orders.** Within the first two days of the Debtors' chapter 11 cases, the Bankruptcy Court entered orders (the "**First Day Orders**") authorizing, but not directing, the Debtors to pay, on an interim basis, certain pre-petition (a) claims of critical vendors, shippers, warehousemen, other lien claimants, and foreign creditors; (b) taxes; (c) employee wages, salaries and other compensation and benefits; and (d) obligations related to the use of the Debtors' cash management system, among other things. To the extent any payments were made on account of such claims or obligations following the commencement of these chapter 11 cases pursuant to the authority granted to the Debtors by the Bankruptcy Court under the First Day Orders, such payments have been included in the MOR unless otherwise noted.

7. **Reservation of Rights.** The Debtors reserve all rights to amend or supplement the MOR in all respects, as may be necessary or appropriate. Nothing contained in this MOR shall constitute a waiver of any of the Debtors' rights or an admission with respect to their chapter 11 cases.
8. **Specific MOR Disclosures.**

- d. **Notes to MOR-5:** In the circumstance where the MOR requires information regarding “insiders,” the Debtors have included information with respect to the individuals who the Debtors believe may be included in the definition of “insider” set forth in section 101(31) of the Bankruptcy Code during the relevant time periods. Such individuals may no longer serve in such capacities. The listing of a party as an insider for purposes of the MOR is not intended to be, nor should it be, construed as an admission of any fact, right, claim, or defense and all such rights, claims, and defenses are hereby expressly reserved. Information regarding the individuals listed as insiders in the MOR has been included for informational purposes only and such information may not be used for: (1) the purposes of determining (a) control of the Debtors; (b) the extent to which any individual exercised management responsibilities or functions; (c) corporate decision-making authority over the Debtors; or (d) whether such individual could successfully argue that he or she is not an insider under applicable law, including the Bankruptcy Code and federal securities laws, or with respect to any theories of liability or (2) any other purpose.
9. **Special Note:** On December 29, 2019, the Debtors suffered a cyber-attack in relation to certain information and technology systems. As a result, the Debtors were unable to generate certain financial reports that would otherwise be included with the MOR.
